"If I ever get the chance to pick a song to walk into it will always be the God in me because I know this was nothing but His plan."

- Robin Booth, Principal

ROBIN BOOTH: A Woman Who Means Business!

We are proud to announce that our Principal, Robin Booth, received the prestigious Women Who Mean Business Award at the Baltimore Business Journal's annual ceremony held on August 7, 2025!

Previously known as the Enterprising Women of Excellence Award, this recognition celebrates women who are making a meaningful impact across Greater Baltimore's business community.

Robin continues to set the standard through her visionary leadership, steadfast commitment to excellence, and her dedication to creating lasting change within BMC and throughout the Baltimore region.

HIGHLIGHTING EXCELENCE

This year's recognition is especially meaningful given the competitive selection process. The Baltimore Business Journal received over 175 nominations and selected only 25 honorees from a wide range of industries. Each awardee is recognized not only for leading their organizations, but also for shaping the future of Greater Baltimore through innovation, service, and community impact.

Robin's inclusion underscores the remarkable influence of her leadership. Congratulations, Robin – we are proud to celebrate this outstanding achievement!
